ER77599 "COMPLETED ED-RP"

Reference Person's Completed Education Level

Values in the range 1-16 represent the actual grade of school completed; e.g., a value of 8 indicates that the Reference Person completed the eighth grade.

Values were computed as follows: If it is not known whether Reference Person attended college (ER76919=8 or 9) or the number of years of college is unknown (ER76922=8 or 9), then the value is 99. Otherwise, if Reference Person attended college (ER76919=1), then the value is 12 plus the number of years of college attended (ER76922). Otherwise, if Reference Person did not attend college, (ER76919=5), the values are as follows:

(a) if Reference Person is a high school graduate (ER76908=1), the value is 12;

(b) if Reference Person received a GED (ER76908=2), the value is the last grade finished (ER76911);

(c) if Reference Person neither graduated from high school nor got a GED (ER76908=3), the value is the last grade finished (ER76916);

(d) if it is not known whether Reference Person graduated from high school, got a GED, or neither (ER76908=8 or 9), then the value is 99.

Education is asked only when the FU acquires a new Reference Person/Spouse/Partner. In cases where the Reference Person has retained the same designation of Reference Person/Spouse/Partner from the previous interview (ER76856=5), this variable has been carried forward from previous years' data. If Reference Person/Spouse/Partner reports updated education and it is higher than previously reported, then this variable is updated. Education was reasked of all Reference Persons in 1985 and 2009 and, as of 2015, all returning Reference Persons/Spouses/Partners are asked for an updated education report every wave. Please refer to variable Year Highest Education was Updated-Reference Person (ER76906) for recency of updated education information.

This variable differs from the individual level variable ER34752 in the treatment of Reference Persons who received a GED but did not attend college. The family-level variable value for such Reference Persons is the grade completed; for the individual-level variable, the value is 12.
